Happy Easter to all. Have a very safe and holy Easter weekend whatever you may be doing. This year at least it seems a little bit more normal with Oakbank Races on the weekend. I am not sure what else there is going on as I haven't had time to look and see what is happening but everyone seems to be very busy. Also this month Anzac Day is on April 25th.

You may have noticed the photo's of the cats on the editorial page last issue. The two fluffy ginger cats had gone missing. They did belong to me and I thought that they must have both died.

However to my surprise the ginger one on the right of the photo appeared again just before last Christmas. At first I didn't believe it was the same cat and took some photos and yes, it was the same cat. His name is Caspar and he was de-sexed in March 2020 and disappeared shortly afterwards. This was the first time I had seen him since then. He stayed around until just after Christmas and has disappeared once more.

Caspar was in good condition and so I thought that he must have found a new home, and maybe the people had gone away over Christmas.

The black cat in the other photo (who I do not own) has decided to come and visit with me. I was hoping that someone would recognise him from the photo and claim him. However I haven't had any calls to say that they know where he comes from or who does own him.

I don't know what it is about doing the editorials in the newsletter but I think of a lot of things I can write about in the weeks before my turn. However I always seem to get writer's block the minute I sit in front of the computer to do it. This time I even decided to start early but that didn't help either.

Please drive safely over the weekend and enjoy the time with your families.

Bye for now,  
Susanne Schneemilch. ©

## SPECIAL GREETINGS

We have only one person on our list celebrating a special milestone birthday this edition and that person is **Steve Bell**. Steve reaches his big "6-0" on the 23<sup>rd</sup> of April and we hope he celebrates accordingly.

Although all birthdays are special, we thought that this edition we might shine the spotlight on our youngest and our most senior celebrators.

**Leni Herbert** is the first of our youngsters to celebrate as he will reach double figures on the 14<sup>th</sup> of April. Have a wonderful 10<sup>th</sup> birthday, Leni. **Alice Plug** will reach her 8<sup>th</sup> birthday on the 18<sup>th</sup> of April followed on the 24<sup>th</sup> by **Ezekiel Cobiac** who will turn 7. We hope all three of you celebrate your special day being spoilt by family and friends.

Our Seniors listed this edition range in ages from 76-91 years. Starting off the month on the 5<sup>th</sup> of April are **Roger Irvine** who will be 77 *Sunset Strip* (for those of us old enough to remember), and **Janet Champion** who will be 78. Ten days later **Pam Hoffrichter** reaches her 79<sup>th</sup> year. Our most senior resident this month is **Helen Richardson** who will celebrate her 91<sup>st</sup> (*if you can believe it*) birthday on the 19<sup>th</sup> of April. **Trevor Calaby** will turn 82 years old on the 27<sup>th</sup> of April and, last but not least, **Paul Cooper** is the youngest this edition as he will be 76 years young on the 6<sup>th</sup> of May. We wish you all the absolute best of luck and hope you create many more wonderful memories, for you and your loved ones, to add to those already experienced in your long lives.

## WEDDING ANNIVERSARIES

On the 6<sup>th</sup> of April 30 years ago, **Jane & Robert Hennessy** walked down the aisle as husband and wife and this year will be celebrating their Pearl (Traditional) or Diamond (Modern) wedding anniversary. Congratulations to you both.

**Narelle & Greg King** exchanged their wedding vows on the 22<sup>nd</sup> of April 1989, and we wish them both great times for the future.

Thirty-five years ago, on the 26<sup>th</sup> of April, **Manuela & Werner Eidam** began their life journey together. We wish you both a wonderful day celebrating your Coral (Traditional) or Jade (Modern) Anniversary.

*Best wishes to anyone else celebrating a special event in the next month and we hope you have a very enjoyable day.*

Please advise us of any changes needed to our Birthday and Anniversary Book, including new names, by leaving a note in the Newsletter Box at our Friendly Grocery Store or by email

*Special* thoughts are with anyone who is currently on the sick list at present or even just feeling a bit gloomy for some reason and we hope things will brighten up for you soon.

*The* Autumn weather with it's warm days and cool nights has been all that we could hope for.

We know the country needs a really good rain but in the meantime a sprinkle now and then settles the dust and freshens up the garden.

Even the pot plants enjoyed a rain bath if you were energetic enough to scoot out and shift them when you heard that first rain on the roof.

*Did* you remember to plant sweet peas on St Patrick's Day?

If you forgot the Little People will be cross with you and your next crop may not be very good.

It's an old tradition and there was a reminder on one of the garden shows on TV lately so you really have no excuse.

*One* of the brightest spots around our town is the flower trough in front of the Institute.

It is sometimes hidden behind parked cars but if you toddle across to see it you will certainly enjoy the display.

Well done to the gardener with the green thumb.

*Have* you noticed that the cloud formations have been spectacular this year especially at sunrise and sunset.

A bonus for this household has been a golden light on the tree trunks down the back by the creek each evening and dinner was put on hold while we enjoyed the sight.

So we hope you were able to pause in your busy lives to enjoy a similar sight and maybe we will have a few more of them before Winter closes in on us.

*School* holidays will commence on Friday 9<sup>th</sup> April to Monday 26<sup>th</sup> April and young ones will be about enjoying their freedom.

So please take extra care when you are driving and help to keep them safe.

*Easter* is upon us again and the four day break means that many of you are planning a trip away or are doing day trips so please be careful as you can enjoy yourselves and come back to us rested and refreshed and ready to get back unto the daily grind. And of course may the Easter Bunny find you wherever you are.

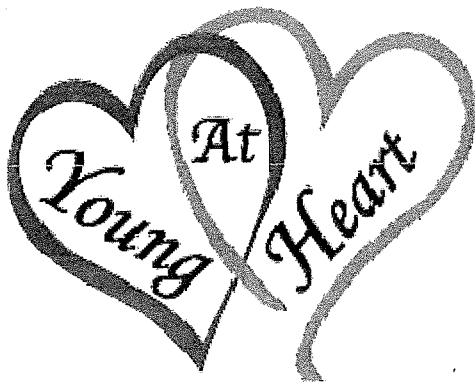

*Now* a timely reminder that Daylight Saving ends Easter Sunday April 4<sup>th</sup>.

Our clocks go back an hour so we get extra time in bed to make up for the hour we lost away back when.

*Congratulations* to the Macclesfield Young at Heart fir being a finalist, and eventual winner, in the 2020 South Australian Regional Showcase for their outstanding achievements in the region.

Well done to Cathy and her hard working crew for another well deserved award.

# Macclesfield Young at Heart Club

Dear Supporter,

22<sup>nd</sup> March 2021

It's Big Morning Tea time again and the Macclesfield Young at Heart Club will be holding their 14<sup>th</sup> event, to raise funds and to continue supporting Cancer Council S.A. for the fabulous work they do in research to find a cure for this terrible disease and for all the services they provide for people living with cancer. We all know the effects that Cancer can have on our family and friends and living in a small community we all seem to know someone that has been diagnosed or is going through their journey. Over the past 13 years our small community has raised over \$130,000.00 for Cancer Council S.A.

Last year was an extremely difficult year for everyone, and functions for fundraising could not happen. This year we want to make it bigger and better to help with the shortfall in funds that last year caused for Cancer Council S.A.

As in previous years our Auction and Silent Auction are the main part of our fundraiser, they have both been very successful and help contribute to the large amount of money raised. The auctions are supported by local businesses and members of the community, which are acknowledged and promoted throughout the morning.

We are seeking donations of goods or vouchers for both auctions and would appreciate any support.

The Big Morning Tea will be held on **Wednesday 19th May 2021 in the Macclesfield Institute, Commencing at 9.00 a.m.** There will be the auctions, entertainment, raffles, competitions, door prizes and a wonderful morning tea. All prizes and items are donated, which means that all money raised goes towards Cancer Research.

## **WE ARE AGAIN ASKING FOR YOUR SUPPORT FOR THIS GREAT CAUSE:**

If you require any further information, please contact me on mob. 0407 710 543 or email [cathbazz@maccy.com.au](mailto:cathbazz@maccy.com.au)

Hoping you may be able to assist us with this very worthy fundraiser

## *Joy Steer - A Tribute*

Joy was born in Gillingham, Kent in 1937, only child to Ernest Henry Thomas Fever and Alice Mabel Fever. She enjoyed telling everybody that she shared her birthday on the 6<sup>th</sup> of June with the anniversary of D-Day, the turning point of WW11. She was two years old when war began and many of her early memories were associated with the war years. She remembers when her father received his call up papers and hearing the sirens warning of an air raid.

She lived with her Nanny and Grandad Pop in Chatham during the war so that her mum could continue to work. One of her happy memories was playing in the neighbours back garden. The garden had an air raid shelter and in one corner, piles of tyres, planks, boxes and ropes. The spill tray of an old wooden roller mangle was always used as a piano and she and the other children played circuses, hide and seek and kick tin. She was eight years old on VE night and recalls it was the first time she had seen the streetlights on. At the age of thirteen she won a scholarship to Fort Pitt Technical School, a girls' school, which focused on preparing students for commercial work and nursing. Hers was the first year that had a class that all became teachers.

Joy enjoyed being a brownie and a guide and on her first camping trip she travelled in an open truck with the girls sitting around the edges and the luggage in the middle. During her teen years, the most important event of her life was 'The Friday Club', a youth group associated with the Methodist Church. They met on Friday nights, went to church together, socials and bible studies.

She also attended monthly London Philharmonic Orchestra concerts, with some of the group members. She attended Brighton Teachers Training College and her first teaching job was at the primary school she had attended as a child. This is where she met her friend Joan Hancock, who persuaded her to join the theatre group Kentish Players, where she met Philip.

Joy and Philip were engaged on her 21<sup>st</sup> birthday in 1958 and married on the 28<sup>th</sup> March 1959. They honeymooned in Seefeld, Austria in the mountains above Innsbruck. Philips' school friend Malcolm married Joys' friend Joan and moved to Australia soon after. They suggested Joy and Philip also migrate and in 1962 Joy and Philip travelled by ship to Australia.

Joy taught 24 six year olds for an hour a day on board ship and after 4 weeks they arrived in Australia where Philip started work as a medical laboratory technician at Latrobe Valley Community Hospital in Yallourn, Victoria.

Joy and Philip lived in Yallourn opposite the croquet green and Joy became an avid croquet player. She continued to play croquet until her 70's. She and Philip moved to Peter Street, Morwell, Victoria in 1964. The next major event in Joys' life was the birth of her daughter Sarah-Jane in 1966 followed by the birth of her daughter Mary-Louise in 1968. Sarah recalls spending a lot of time at the croquet club in Yallourn collecting acorns and being spoilt by many adopted aunts and uncles while Joy played croquet.

Joy was an active parent at kindy and preschool and the costumes she made for her children were possibly her first foray into sewing. Sarah does remember wearing a costume to preschool made quite ingeniously out of crepe paper. The costume was not so ingenious when it ripped leaving her in her underwear! Joy sewed all her children's clothes and continued to sew her own clothing throughout her life.

Joy received her registration as a teacher in Australia in 1973 and after some relief teaching at various schools, she became a teacher at Morwell Park Primary School, even teaching her daughter May-Louise at one stage. While teaching, Joy met Kaylene Hams and Christine McDermott, now Christine Pearce, with whom she established long-term friendships. Christine recalls that her connection to Joy began over 40 years ago when she shared the classroom with her.

This was Christine's second teaching appointment and working with Joy who had distinct approaches to doing things was apparently quite an eye opener at times. Christine survived and even recently Joy would still proudly introduce her to other residents at Oakfield Lodge as her teaching colleague. After Christine married Brian and moved to Flaxley, Joy, Philip and her two daughters visited Christine and Brian on the farm during their annual holiday at West Beach Caravan Park. In later years Joy joined Christine, Brian and their children for many a Christmas lunch and took a great interest in the children's lives as they were growing up.

Joy continued her interest in guiding and ran a brownie pack in Morwell for many years, which was also attended by her children.

One of the highlights of Joy's life was her trip with her family for 6 months in 1978 to the UK and Europe. She introduced her children to their relatives overseas and certainly made sure Sarah-Jane and Mary-Louise didn't get out of any of their schooling having prepared daily lessons for them both. She even managed to find a piano in a hotel in Greece so Sarah-Jane could practice for her exams. Joy and Philip had attended classes prior to the trip to learn to speak the German language and Joy used this to full effect when lost in traffic. After being tooted by several cars, she got Philip to stop in the middle of the road, holding up all the traffic while she gained directions from the people in the car behind.

In 1991 Joy and Philip moved to Macclesfield where they lived very happily establishing a rambling native garden and becoming an integral part of the Macclesfield community. Joys' husband Philip passed away from cancer on the 14<sup>th</sup> of August 1992. Not long after, Sarah gave birth to Joys' first grandchild Nikki. Joy loved being a 'gran' and while visiting from Old, Sarah remembers her being so focused on introducing her new grandchild to everyone that she completely forgot to introduce her daughter!!

In 1995 her daughter Mary-Louise gave birth to Joys' second grandchild Christie and shortly after Sarah gave birth to Joys' third grandchild, a grandson Taylor. Joys' final grandchild Lilly was born in 2002.

Joy loved to travel and went on many trips with Rufus Bus and Coach including a trip to the Eyre Peninsular, the Christmas Proms, the cherry farm and the South Australian Police Band at the Hopgood Theatre.

She travelled to Queensland every year to stay with Sarah, Doug, Nikki and Taylor. She loved attending various theatre shows that they were involved in, especially Cats, which she said was 'far better than the original London production'. Every year she attended a performance at the music conservatorium in Brisbane, where Taylor played the trumpet and took the opportunity to wander around open gardens and National Parks with Sarah who shared her passion for gardening and bushwalking.

Nikki recalls visiting Gran in South Australia where she saw her first Autumn leaves and both children enjoyed story time sitting each side of their Gran while she read to them before their bedtime.

Joy was involved in many community groups. She enjoyed having Erin, Christine and Brian's daughter, join her as a Brownie, when she started up and ran the Brownie Pack in Macclesfield. She belonged to the Mount Lofty Singers for a number of years and was an active member of the Echunga Uniting Church. At the church she particularly liked attending the Summer camps near the beach and had many close friends, such as Bron and Kym Anderson. Bron and Kym were consistent pillars of support for Joy, Sarah and Doug. Joy was delighted when flowers came from Kym, never Bron and likewise gifts such as Christmas decorations for her room were always from Doug rather than Sarah. Luckily Bron and Sarah graciously accepted this bias!!

In Macclesfield she was heavily involved in the community association, and is remembered for her dedication to the community. She was responsible for planting the beautiful Callistemons opposite Davenport Square in Macclesfield and for the original plantings and maintenance of the garden beds in the main street. She liked to keep Macclesfield neat and tidy and by the number of beer glasses in her house from the local pub she must have decided these needed collecting up as well.

Brian remembered Joy helping every year when drivers in the Adelaide Classic Car Rally stopped at Macclesfield for lunch. She would firmly direct drivers (many of whom were international drivers) to where they had to go for lunch and engage with them, which they found quirky, but entertaining. She told Sarah very proudly that she had been named by the drivers as the Macclesfield terrier. I'm not quite sure that this was a complimentary title.

On the 18<sup>th</sup> of February 2016 Joy started a new chapter of her life, becoming one of the first residents at Southern Cross Care, Oakfield Lodge. With the help of a wonderful group of friends, Joy who had been unwell for quite some time transitioned into residential care where her health improved significantly with a busy lifestyle and three meals a day (I don't think she ever missed dessert). Joy always turned up for meals accompanied by her little sacking pot of violets and her fly swat. Other residents would often remark 'here comes Joy, armed and dangerous'.

Bron, her husband Kym, Christine and Brian have continued to play an active role in Joys life and Sarah will always be grateful for the amazing support provided to both her and her mother particularly as she lives so far away in Queensland

**Joy Steer - A Tribute** cont....

Joy also had wonderful support from the team at Oakfield Lodge, especially the lifestyle co-ordinators Monique, Cassie and especially Kerry, who managed Joy brilliantly. Joy enjoyed Oakfield Lodge bus trips to familiar sites in the Adelaide Hills and further afield such as Adelaide Port River dolphins cruise. Sarah accompanied her mum on this day, and we have some great photos of Joy and Sarah poking their tongues out at the person taking their photos.

Joy attended the gym, opened the curtains in the loungeroom near her room every day and was according to her, solely responsible for most of the plantings in the gardens at Oakfield Lodge. She continued to garden and water the plants most days, feeding the chickens scraps. She named her favourite chicken 'Grizzleguts', talked to the guineapigs and appreciated it when people visited with their dogs.

She loved it when the children visited from the nearby school and was quite a popular resident. Joy provided a teacher with her favourite book 'Plop the owl who was afraid of the dark' and was then given a book filled with pictures of 'Plop' drawn by the children. One of the students wrote to Joy saying that she absolutely loved her amazing stories and her awesome dance moves! She wrote that the highlight of every second Tuesday was visiting Joy and that she was grateful for having met her.

Joy continued to live life to the full. Her final task on the day before she passed away was to assist Oakfield Lodge staff to categorise the DVD library next to the fireplace in the library. By all accounts she did a great job. In the words of a good friend 'there are numerous 'Joy' stories out there from anyone who encountered her. Mum was a character, but underneath that brusque manner, she was a caring and generous soul'.

## Winter Music Festival Announced after Summer Festival Success.

After the huge success of our inaugural **2021 SUMMER MUSIC FESTIVAL** with 17 concerts in 23 days and many sold out performances, the **Adelaide Hills Chamber Players** are pleased to release details of the **WINTER MUSIC FESTIVAL** for regional communities of South Australia. Replicating the Summer pattern, four contrasting programs will be unveiled in the **Central Adelaide Hills** [Mount Barker/UKARIA] and repeated in the **Southern Vales** [McLaren Vale], **Alexandrina** [Goolwa], **Barossa** [Tanunda], Gawler and Murray Bridge.

**Chamber Choir, Soloists and Orchestra with Conductor, Jonathan Bligh [extreme RHS]**

The centre-piece will be a program of Tchaikovsky and Bartok by our **String Orchestra**, directed from the Leader's Desk by renowned Australian violin virtuoso, **William Hennessy AM**, well known to South Australian audiences from his founding/leading role with the Australian String Quartet. The **Winter Festival** will also feature our **Chamber Choir**, supported by **The Festival Statemen** and conducted by **Jonathan Bligh** as well as a solo recital by **Josh van Konkelenberg** and **Fiona McArdle** and a **Trio Recital** for Flute, Viola and Harp led by **Linda Pirie**.

The **2021 Winter Festival** will run from Wednesday 16 June to Sunday 11 July with 15 concerts presented in six regional venues.

Music lovers can take advantage of **Early Bird** bookings until **20 April** with generous discounts off standard Adult and Concession prices.

Meeting 15/3/21

What has your community association been up to and what are they planning for you?

We opened the meeting by welcoming a new member to our committee, Lynn Boyd. We hope Lynn enjoys her time on the MCA and we look forward to working together as a team as we strive to make Maccy a better place to live in.

Cathy Megson came along to share with us the award Young at Heart were recently presented with, the "*Meaningful Connections*" award. Congratulations Young at Heart on receiving this award. It is well deserved. We have promised Cathy that we will find a suitable spot in the Institute to display the award so that all of Maccy can enjoy the accolades that YAH so richly deserve.

John Wyatt and David Mahar, representing the Consortium developing the Hotel and businesses on the eastern side of Venables Street, joined the meeting to discuss their plans. What exciting plans they are! We will work closely with them and Council as the planned upgrade to Venables Street continues to move ahead and push strongly for all work to have the best interests of Maccy at heart. We will keep you informed as to how things are progressing. Exciting times ahead!!

Behind the scenes work for the *Healthy Towns Challenge* upgrade to Davenport Square has been moving along. Shane has been in touch with local contractors re the laying of the walking trail and Penny has enlisted the help of the Primary School and Bush Care re the propagating and planting of local shrubs in the planned gardens. Penny is actively sourcing new grants in order to have several exercise stations installed along the walking trail. We recently heard from the Battunga Lions and they are keen to support the project as well. It's wonderful to see a community pull together for the betterment of the town!

Graeme has spoken to Steve Gardner and he assures us that the furniture to be installed under the new shelter at Davenport Square will be installed in the not too distant future.

The MCA have written to Council asking them to undertake Action 18 from the Macclesfield Township Plan, '*to assist the community to develop and promote a community lead emergency and bushfire action plan*' in light of the confusion expressed by residents after the recent Cherry Gardens fire. We eagerly await their response.

Fly screens have been placed over the kitchen windows at the Institute and this, along with the purchase of a bug zapper, should keep those pests at bay while enjoying food in the Supper Room.

A local contractor has been engaged to fix up the gravel driveway alongside the Institute with the view of the Monthly Market better utilising this space on market days. It will also be a welcome improvement to this muddy area after rains!

A big thank you to the people who turned up on the MCA organised '*Clean Up Australia Day*'. 6 bags of rubbish were collected from around the town and 2 large tractor tyres were removed from alongside the river at Crystal Lake. Thank you Council for providing us with a free pass to dispose of this waste at the dump. All of the rubbish was carefully sorted before dumping.

Congratulations Biochar on running a successful information session at the recent *Hills Environment Summit* held in Norton Summit and for running courses on the production of biochar for interested community members at Duck Flat in Mt Barker.

Congratulations to Oliver, Maddie, Emily and Michael on your recent election as school leaders at the Primary School. If there is anything the MCA can help you with, don't be afraid to ask.

Dear Community

Re: Periodical Elector Representation Review, Mount Barker District Council

**Does it matter if Maccy and other small towns are not represented on Council? The MCA thinks so!**

Mount Barker District Council is changing its Ward structure this year. Some of the Options being considered are **likely to result in NO Councillors being elected from small towns** like Macclesfield, Meadows, Prospect Hill and Echunga.

The Macclesfield Community Association believes this would have a negative impact on our town. We want Councillors who live locally and understand our community. MCA wants a Ward structure that ensures small communities can have a voice on Council.

MCA has reviewed all 7 Options under consideration and can only support 2 of them. In our assessment, only Options 3 and 4 will provide a fair level of representation for Macclesfield and neighbouring small towns.

Due to population growth in the District, the way voters are represented **MUST** change at the next Council election (end of 2022).

**It's important that residents and organisations speak up now for their interests.**

To see MCA's summary table of the Options, go here:

[d80000\\_6033562dd2254b9aaf32b5594502facc.pdf \(filesusr.com\)](https://filesusr.com/d80000_6033562dd2254b9aaf32b5594502facc.pdf)

To read more about the Review, see the proposed Ward boundaries and provide your own feedback to Council go here: <https://yoursay.mountbarker.sa.gov.au/periodic-elector-representation-review>

The description and maps of the 7 Options for Wards are on pages 22 - 38 of the 'Periodical Elector Representation Options Paper'.

Your feedback will have the greatest impact if you put it in your own words.

**Feedback must be provided to Council by 5.00pm 31 March 2021.**

Yours Sincerely

Graeme Milne  
Chairperson

## Macclesfield Community Association position

Periodical Elector Representation Options Paper, Mount Barker District Council

March 2021

Brief Summary of all 7 Option and the likely consequences for Macclesfield is in table below.

For more information go to:

<https://yoursay.mountbarker.sa.gov.au/periodic-elector-representation-review>

Option	Description	MCA position and reason
1	4 Wards and 10 Councillors.  Our Ward would include Meadows and Prospect Hill (but not Echunga) and only have 1 Councillor.	<b>Not supported</b>  If that one Councillor is away, or is ineffective, we have weak representation. Echunga also located in a Ward with the Mount Barker township.
2	3 Wards and 10 Councillors.  Our Ward would include Hahndorf, Meadows and Prospect Hill (but not Echunga) and have 2 councillors	<b>Not supported</b>  It's a large geography for 2 Councillors, and likely one would be elected from Hahndorf. The other would have to cover all the other towns. Echunga also located in a Ward with the Mount Barker township.
3	3 Wards and 10 Councillors.  Our Ward would include Hahndorf, Meadows, Prospect Hill and Echunga. We would have 3 Councillors.	<b>SUPPORTED</b>  This is a good level of representation for the geography of our Ward. (Although we note there is a NW part of Mount Barker township West of Adelaide road and North of Flaxley Rd that does not seem to belong in this Ward).
4	3 Wards and 9 Councillors.  Our Ward would include Littlehampton, Hahndorf, Echunga, Meadows and Prospect Hill and have 3 Councillors. Mount Barker township is in a Ward by itself.	<b>SUPPORTED</b>  This is a good level of representation for the geography of our Ward. The structure of the ward (East, West and Central) is logical
5	3 Wards and 9 Councillors.  Our Ward would include half of Mount Barker township (West of Adelaide rd and Wellington rd), Echunga, Meadows and Prospect Hill and have 3 Councillors.	<b>Not supported</b>  Locating half of Mount Barker in what is otherwise a Ward of small towns and rural areas does not make sense. Possible outcome is 2 or 3 Councillors live in Mount Barker and have little interest in the rest of the ward.
6	3 Wards and 8 Councillors  Our Ward would include Hahndorf, Meadows, Prospect Hill and Echunga. We would have 2 Councillors. Very similar to Option 2 but includes Echunga.	<b>Not supported</b>  It's a large geography for 2 Councillors, and likely one would be elected from Hahndorf. The other would have to cover all the other towns.
7	No Wards	<b>Not supported</b>  Highly likely that most Councillors will be residents of larger towns like Mount Barker Nairne, Littlehampton and Hahndorf. Likely no Councillors from Macclesfield or other small towns.

## *Glimpses of the Past*

### Macclesfield's Crystal Lake Campsite

This follows an article in the October 2020 Newsletter about Macclesfield's historic Crystal Lake Swimming Pool. Both the swimming pool and the campsite were located on sections of Lord Robinson Park. The campsite was about 10 acres of land surrounding the pool and it was leased by the Youth Clubs Association in 1960 (The Assoc. was later called the South Australian Community Recreation Association or SACRA).

In 1960 the District Council of Meadows and the Youth Clubs Association signed an agreement that allowed the Club to lease the pool area for 21 years at 5 shillings a year providing they kept all buildings and all other improvements in good repair and condition at their own expense. The agreement also granted public access to the Lord Robinson Swimming Pool for swimming, other aquatic sports or recreation.

During the following years Youth Clubs added further buildings to the site including dormitories, a canteen and shower block, numerous sheds and a house. In 1975 a government grant was provided to enable Youth Clubs to develop a barbeque area, cement paths and to paint the exterior of the dormitories.

**On the 14<sup>th</sup> August 1980, not long before the lease was due to expire, Meadows Council had the land 'dedicated for parkland purposes' defined as 'for use, benefit or recreation of the inhabitants of that town'.**

Changes to the local government area in 1983 saw a portion of the District Council of Meadows assigned to the District Council of Mt Barker (DCMB) including the township of Macclesfield, surrounding parklands and Crystal Lake Camp.

Sadly, in November 1990 an eleven-year-old boy from Salisbury East Primary School drowned in muddy water at Crystal Lake. His absence was noticed at dinner time. There was a Coroners enquiry into the incident reported in the Advertiser (Advertiser ed2, 13/4/91 p10).

The DCMB managed the camp from 1983 until 1993 when they sold the assets; buildings etc. and leased the land to Phil and Chris Coleman. In 1997 Robert Carter purchased the assets and signed a ten-year lease on the campsite where he ran a camp for school and special interest groups. When the lease expired in 2007, he was given a 'holding lease' over the site which provided a month-by-month lease plan while the Council sought legal advice and examined the ramifications of his application for a new lease. In reviewing the existing lease arrangements, they noticed anomalies with respect to the lease, the boundary of the leased area and the status and ownership of the buildings.

To address and clarify these anomalies the Council set up a community engagement process. During a Community Forum held by the Council in February 2008 a major concern raised by the community was their limited access to the park and the river due to the area being fenced. Because the land had been dedicated for **'parkland purposes' in 1980** it was deemed to be unlawful to exclude the public and therefore granting a new lease would be contradictory to the dedication.

However, the Council resolved to seek re-dedication of the land so that a commercial lease of Crystal Lake Camp could legally take place. In August 2009 Council applied to the Dept of Environment and Heritage, to re-dedicate an area of the park for commercial lease. This area was considered to be the most attractive part of Crystal Lake and an ideal site for a camp.

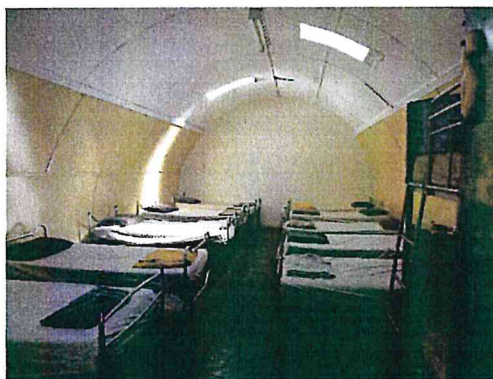

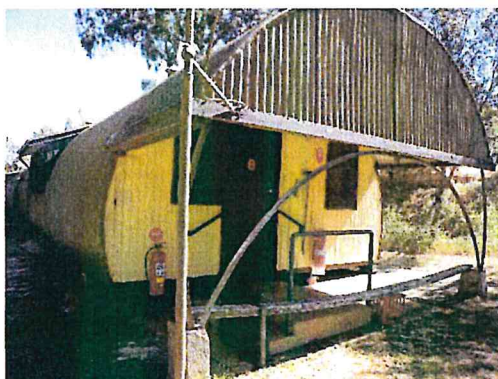

In July 2009 the Lessee had written to Council to say that he found the short-term lease financially untenable as he couldn't guarantee any future campsite bookings beyond 30 days. He sought to be compensated for significant losses to his business and asked Council to purchase the buildings to clear the way for a future lessee. (Carter R 2009, Draft Crystal Lake Camp proposal)

Despite the Council offering several options to the short-term lease and a follow up letter, emails and phone calls, no response was received from the Lessee. It was then recommended that the Council terminate the current lease arrangement and give the Lessee four months' notice to vacate the site. (Council Agenda 2 August 2010)

With still no response, Council called for tenders for the 'Disposal of Surplus buildings and Assets' on the site. To protect against legal action Council sought court approval to gain 'vacant possession'.

Robert Carter who had been absent from the Crystal Lake site returned and sought legal advice and representation regarding his position. The legal issues between the Council and the Lessee were resolved with a payment of an undisclosed amount in a confidential agreement. Council was now in 'vacant possession' of the Crystal Lake site.

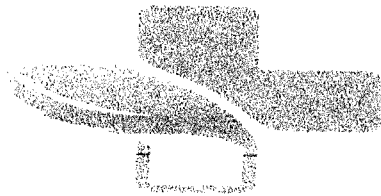

By August 2012 most of the camp infrastructure had been removed and neglected buildings on the site had deteriorated. The community recognised the need to develop an agreed plan for the development of Crystal Lake. At a public meeting organised by the MCA on 1<sup>st</sup> November 2012, D Welsh from Battunga Country Tourism proposed a multipurpose 'Regional Art and Cultural Centre including a sculpture park' for Crystal Lake. This broad vision was unanimously agreed. To be continued.

Much of this information comes from **'The Politics of a People's Park, History of Crystal Lake Park Macclesfield'** by **Dave Welsh 2013** (copies are available from local libraries at Stirling and Mt Barker and from the State & National Libraries).

### Flu Vaccine FAQs

#### Flu vaccination & the Coronavirus (COVID-19)

Government advice is that the general public should receive their influenza shot as soon as possible. (Except if you are in Group 1A or 1B for COVID vaccination, in which case have your COVID vaccination first).

This is so there will be no interactions with any COVID-19 vaccinations and you will be protected from the Flu early in the season!

<https://www.health.gov.au/resources/publications/atagi-advice-on-seasonal-influenza-vaccines-in-2021?fbclid=IwAR0he7wGVU8upkr1YVEUAL-9hb-hS5YA0BLy7EdWvFsQRcZg0a0lrOeRqns>

**The Influenza (flu) vaccination is the most effective way for preventing and stopping the influenza virus from spreading. It is not 100% effective, but it can...**

- keep you from getting sick with the flu
- for some, reduce the severity and complications of the flu if contracted
- be a good prevention for people with chronic health conditions
- reduce flu associated hospitalisations for all ages
- help protect women during and after pregnancy
- help protect those more vulnerable around you i.e. babies, older people and people with chronic health conditions.

#### Is the flu vaccine safe?

Each year the Influenza Vaccine Committee approves the use and composition of flu vaccines in Australia, as they vary from year to year. Flu vaccines in Australia do not contain any live viruses and stringent safety testing is conducted to ensure the new vaccine is safe for use. Your pharmacists at Meadows Community Pharmacy will also check your suitability for a flu vaccination prior to vaccinating you.

#### Why do I need to get a flu shot every year?

As the strains of viruses responsible for seasonal influenza change each year, the vaccine composition is modified, and therefore must be given annually to offer the best protection against the flu strains that are circulating at the time.

#### How long does the vaccination last?

In Australia, peak flu season is in the winter months, and the flu shot will normally provide you with immunity during this time. The Australian Government's Immunisation Handbook states that, "optimal protection is within the first 3–4 months after vaccination. Deferring vaccination to the beginning of winter may result in greater immunity later in the season, but may also result in missed opportunities for vaccination and lack of protection if the influenza season starts early".

## **I've heard getting the flu shot makes you sick – will it give me the flu?**

This is a common misconception. There is no live virus in the vaccines used in Australia. In rare cases, if someone is exposed to the flu virus just before having their vaccination, it may still develop as the vaccine takes about two weeks to develop full immunity. Otherwise, if you get a runny nose, or a sore throat following your jab, you might have just had some bad luck and caught a cold, not the flu.

## **What is the National Immunisation Program?**

The National Immunisation Program (NIP) is an Australian Government initiative that offers free vaccinations under Medicare at different stages of life, or to certain members of the community, such as pregnant women, Aboriginal and Torres Strait Islander people, and those with specific health conditions. To meet the anticipated demand for seasonal influenza vaccines in 2021, the Australian Government will be securing the largest supply of seasonal influenza vaccines ever through the NIP.

## **When should I get the flu shot?**

The best time to vaccinate is in autumn, but the flu vaccine can be given at any time during the flu season while the vaccine is available. It is effective from 2 weeks post vaccination for approximately 4 months.

## **Who gives the vaccination?**

Our specially trained pharmacists (Alyssa & Rachel) are able to administer flu vaccinations. In South Australia, pharmacists are now able to vaccinate people over the age of 10.

## **How long does it take?**

The injection itself will be done before you know it, but it is recommended you stick around for about 15 minutes afterwards, so you can be monitored by pharmacy staff in the unlikely event of a reaction.

## **Are there any side effects or precautions?**

Most people will just experience some soreness around the injection site, but some will also experience a mild fever, tiredness or body aches<sup>3</sup>.

For any mild side effects that are experienced, they can often be reduced by:

- drinking extra fluids, resting, taking paracetamol as per the instructions on the packet/bottle & not overdressing if you are already hot.

Depending on the severity, people with an egg allergy, including a history of anaphylaxis, can be safely vaccinated with the influenza vaccine. We recommend that you chat to your pharmacist to discuss your allergy.

## **If you are over 65s,**

The Australian government funds the cost of vaccinations for people at high risk of influenza and its complications via the NIP. If you are over 65, you're eligible to have a free flu vaccination under the NIP at your local GP clinic.

The flu vaccine provided for people over 65 years of age is different to the vaccination provided to the rest of the population and is only administered in a GP clinic. This vaccine is adjuvanted, which means it is designed to boost the immune response and provide better protection for this age group. Supply of this vaccine will be available in April.

People over 65 can have the pharmacy based Quadrivalent vaccine, however it is highly recommended that they see their doctor to be assessed for any other medical conditions prior to receiving the adjuvanted vaccine.

### CHERRY RIPE SLICE

# MACCLESFIELD CRICKET CLUB 2020/21

We did it - back to back premiers in the A2's. Congratulations to the players who put on a great display of cricket from the first ball to the winning 6 hit by captain courageous Dave - both teams were a credit to their clubs for the sportsmanship shown throughout the match.

Thank you to all the volunteers who manned the bar and canteen for the many supporters, from both teams, to enjoy.

On Saturday 27<sup>th</sup> March we held our presentation with many players, supporters and life members in attendance - it was great to see Bill and Maxine Taylor finally be able to attend a function as they now live on the Yorke Peninsular - Bill also won the last Money Draw and donated half the money back to the club for the juniors.

Thank you all our sponsors and supporters and we hope to see you all back in season 2021/22.

The recipients of said awards were:

Exposition of the Blessed Sacrament follows Mass on Thursday & Saturday mornings for half an hour.  
Reconciliation will be available during and after Exposition, or by appointment.

**EASTER MASSES:** Holy Thursday 1<sup>st</sup>. April: 7.30 p.m. Church of the Good Shepherd. **Good Friday** 2<sup>nd</sup>. April:- **Stations of the Cross** 10.50 a.m. Church of the Good Shepherd;  
**Commemoration of the Passion** 3 p.m. Our Lady of Mercy Church. **Easter Vigil:** Saturday 3<sup>rd</sup> April 7.30 p.m. Our Lady of Mercy Church. **Easter Sunday** 4<sup>th</sup>. April 7.30 a.m. and 9.00 a.m. Our Lady of Mercy Church; 10.45 a.m. Church of the Good Shepherd.

**HOLY WEEK AND EASTER:** It will be necessary this year to book a place at the Holy Week and Easter Parish celebrations. As we did at Christmas we can easily make our bookings from the Parish Website. Booking for Mass will allow as many as possible to come without fear of being turned away. Don't forget that **daylight savings ends on Easter Sunday morning**, so the 7.30 a.m. Mass won't seem so early after all. Please see dates and times above.

**Holy Places Appeal:** The Holy Places Appeal promotes the missionary work of the Church in the Holy Land by providing welfare assistance to local Christians in the area such as health, education, employment and housing. Parishes, schools, orphanages and medical centres throughout the Holy Land rely on assistance from this collection. Donations are also used to maintain over 70 churches and shrines associated with the life of Jesus. Last year was an exceptionally difficult time for the Church and people of the Holy Land with very little income due to the lack of pilgrims and the closure of churches around the world. Consequently, this year's Good Friday collection is extremely important. Please remember the Christians of the Holy Land on Good Friday and keep them in your prayers. Thank you.

**Project Compassion:** For over half a century, generations of Australians have participated in Project Compassion. The initiative has raised more than \$500 million since it began on 1965 – making it one of the nation's longest running charity campaigns. Project Compassion has helped with access to education, health services, agricultural training and through programmes that reduce maternal and infant mortality. During the COVID-19 pandemic, local partnerships have helped Caritas Australia to respond quickly to minimise the spread of the coronavirus. We thank generations of our supporters nationwide for their ongoing generosity, which allows us to move forward with lifesaving strategies to tackle new challenges.
